Dear Jack:

Thank you for your letter of 2 September.

I admire your persistence, and am flattered by it, but I really believe you had better write me off as simply a bad risk.

Austin is a long way and when I take that much time off, many things have to come out even. If I ever see, in advance, an occasion to be in Austin, I'll let you know and you can see if there is then any interest or opportunity.

Best regards,

Sincerely,

Dear Pearre:

Regret my airplane connection schedule precluded my visiting with you during stop-over in Washington a fortnight ago. It was good talking with you, yet disappointing to learn that you were unable to accept our invitation to be with us at our September monthly meeting.

Stan Babcock last week received unexpected orders. He is now in Paris where he will relieve Gen. Larkins, Retired, as chief of the MWDT-USRO. He is scheduled to return to Austin on the 24th instant and depart for France on 7 October. This period, I infer, to turn over to his successor the VIII Army Corps.

Our Chapter has requested Stan, a member, to be guest of honor at its dinner meeting this month and also requested that he be our guest speaker on this occasion. Should perchance he be unable to attend, then Gen. Simpson, WWII Commander of the Ninth Army, whom we had planned for our October Meeting, has promised to be with us this month.

Now for the big PITCH, the guts of this letter:

WE WANT DOBAK CABELL for our November meeting.....after the elections!!! That's almost 3 months away. Now, Pearre, try to wriggle out of this invitation! Ha, ha.

Anticipating a favorable response at the earliest, and with kindest personal regards, I am

Radiantly yours,

THE CHAPTER MEETS LAST WEDNESDAY OF EACH MONTH EXCEPT JUNE, JULY, AUGUST AND DECEMBER
